**Educational Policy Accreditation Standards (EPAS):**

Competency-based education is an outcomes-oriented approach to curriculum design. The goal of the outcomes approach is to ensure that students are able to demonstrate the mastery of integration and application of the competencies in practice. In EPAS, social work practice competence consists of nine interrelated competencies and practice behaviors that are comprised of learning activities. The nine core competencies and one professional growth and development activity are listed below followed by a description of characteristic knowledge, values, skills, cognitive/affective processes (listed as Activities To Evaluate Student Mastery of EPAS) and the resulting practice behaviors that may be used to operationalize the curriculum and assessment methods.

Website: NASW 2015 CSWE Educational Policy and Accreditation Standards (CSWE EPAS): <https://www.cswe.org/Accreditation/Standards-and-Policies/2015-EPAS/>

**Core Competencies & Descriptions:**

**1. Demonstrate Ethical and Professional Behavior**

Build skills in ethical practice, values identification, professional behavior, utilization of supervision, and technology.

**2. Engage Diversity and Difference in Practice**

Build skills in understanding how diversity shapes human experience and identity, understanding and identifying forms of oppression and how they may marginalize, alienate, or create privilege and power.

**3. Advance Human Rights and Social, Economic, and Environmental Justice**

Build skills in gaining knowledge about theories of human need and social justice, and strategies to promote social and economic justice, eliminate barriers to services, and advance human rights.

**4. Engage in Practice-informed Research and Research-informed Practice**

Build skills of critical thinking through use of practice experience to inform research and evaluation of research-informed practices.

**5. Engage in Policy Practice**

Build skills in understanding the role of policy in service delivery, and the role of practice in policy development.

**6. Engage with Individuals, Families, Groups, Organizations, and Communities**

Build skills in understanding and applying strategies to engage diverse clients and constituencies using knowledge of human behavior and social environment to advance practice effectiveness.

**7. Assess Individuals, Families, Groups, Organizations, and Communities**

Build skills in understanding and applying methods of assessment with diverse clients and constituencies to advance practice effectiveness.

**8. Intervene with Individuals, Families, Groups, Organizations, and Communities**

Build skills in understanding and applying methods of identifying, analyzing, and implementing evidence-informed interventions to achieve client and constituency goals.

**9. Evaluate Practice with Individuals, Families, Groups, Organizations, and Communities**

Build skills in understanding and applying qualitative and quantitative methods for evaluating outcomes to advance practice, policy and service delivery effectiveness.

**10. Professional Growth and Development**

Build skills in developing strategies for self-care and gaining knowledge about the Social Work profession, including licensing.

**Competency 1: Demonstrate Ethical and Professional Behavior**

	Practice Behaviors:	Learning Activities to Evaluate Student's Mastery of EPAS:	Target Dates:	Target Semester:	Semester Evaluation:
1.1	Make ethical decisions by applying the standards of the NASW Code of Ethics, relevant laws and regulations, models for ethical decision-making, ethical conduct of research, and additional codes of ethics as appropriate to context.	Student uses the NASW Code of Ethics and agency code of conduct in all interactions with staff, clients, and other professionals. Using NASW Code of Ethics, the student is able to identify 2-3 ethical dilemmas when working with agency clients and determine how to address the dilemmas, while tolerating any ambiguity.			
1.2	Use reflection and self-regulation to manage personal values and maintain professionalism in practice situations.	In supervision, student identifies personal values and perceptions that influence social work practice and identifies how student uses models of ethical decision-making and relevant laws/regulations to ensure ethical actions in practice.			
1.3	Demonstrate professional demeanor in behavior; appearance; and oral, written, and electronic communication.	Student demonstrates professional behavior in appearance, and in all oral and written communication.			
1.4	Use technology ethically and appropriately to facilitate practice outcomes.	Student demonstrates professional behavior in electronic communication and documentation.			
1.5	Use supervision and consultation to guide professional judgment and behavior.	Student uses supervision and consultation to reflect on professional behavior and demonstrates ability to incorporate feedback into practice.
