	Open Elective %	3	Restricted Elective	
	Open Elective %	3	Restricted Elective	

**% Open Elective:** Any graduate-level course. It may be within Social Work, or in another discipline. If you are choosing to take a course outside of Social Work you will need to work directly with that department should the class require any override.

\*The culminating experience for PAC students is two semesters (3 credits per semester) of SWG 599 Thesis or portfolio. The portfolio is not a course and does not carry credit. Please visit Canvas for additional details. Most courses are only offered in the semesters as they are outlined.
