

MID-SEMESTER PERFORMANCE REPORT

Instructions: The Field Instructor enters the information on student progress for the current semester in this form. This includes checking the areas that apply, indicating if student is on track, hours completed and comments. Once the Field Instructor has completed their part of the form, they will select submit. Once submitted, the student will review, enter comments and submit for final review and completion by the Field Liaison.

Table with 3 columns: Date, Student Name, Student ID, Agency Name, Field Instructor Name, Field Liaison, Semester, Field Placement Group, Hours Completed Semester To Date (Entered and Verified by Field Instructor)

120 hours at the Mid-Semester date would place the student on track for completing the required 240 Field Education hours for the semester. Students that have not met this threshold and are anticipating needing time beyond the last day of the semester will need to submit a Request for Grade of Incomplete form in Sonia with a detailed plan of completion and proposed completion date. \* A grade of Incomplete may impact Plan of Study and graduation date.
