Summer Institute

Behavioral Health Conference

Meet nationally recognized experts, innovative local and government leaders, educators, researchers, clinicians, peer support specialists, counselors, outreach providers, and other professionals. Over 300 individuals from numerous private, state and federal agencies attend this conference each year.

The Summer Institute provides a plethora of sessions for today's healthcare and behavioral health professionals and partners, showcasing keynotes from nationally recognized researchers and experts, and more than 40 breakout sessions addressing a wide range of topics relevant to those working in the field. Take advantage of this opportunity to learn, share, network, and interact with your peers and industry leaders.

The 24th Annual Summer Institute returns to the High Country Conference Center in Flagstaff Wednesday through Friday, July 10-12, 2024.
