

Interprofessional Healthy Aging Certificate

Arizona State University/College of Nursing and Health Innovation (CONHI) and School of Social Work (SSW) offer a joint **18 credit Interprofessional Healthy Aging Certificate**. Courses are available entirely on-line. Applicants may begin the certificate during any semester.

The certificate is designed to prepare Master’s and Doctoral-level health professions students and community health and social service professionals including physicians, nurses, social workers, pharmacists, physical and occupational therapists, dietitian nutritionists, physicians’ assistants, and related disciplines to address healthy aging, with a focus on prevention and early intervention to improve the health, behavioral health, and quality of life of older adults and their family caregivers.
